EVENTS › 1 OF 12

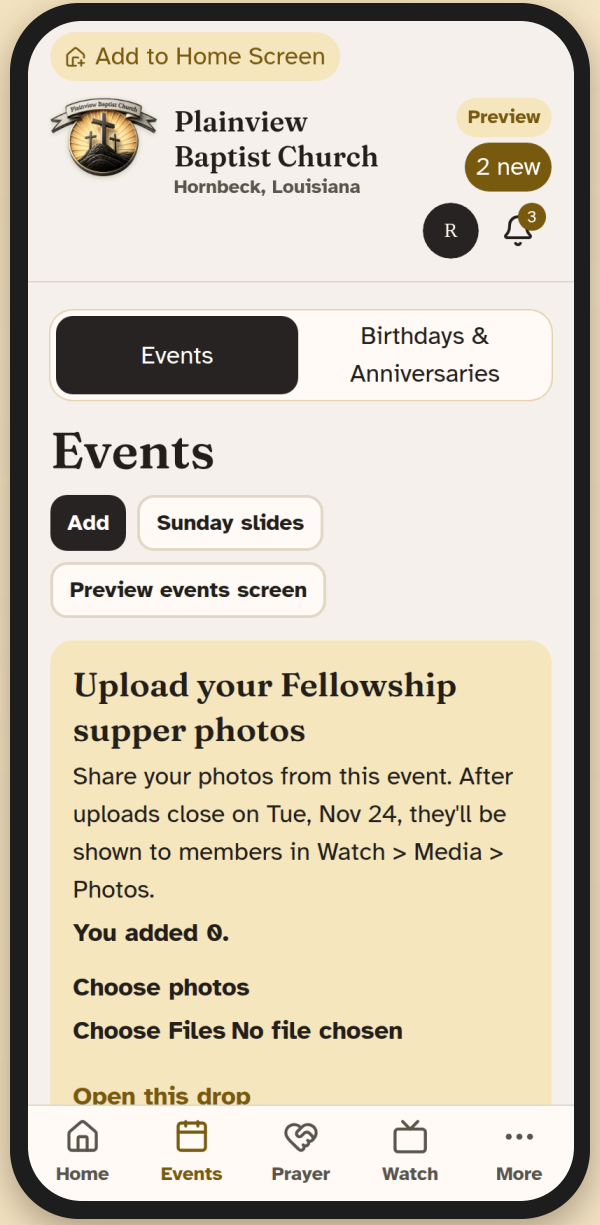

Events list

- **Add** is the first button under the title. Tap it to suggest an event. The switch at the top opens **Birthdays & Anniversaries**.
- Open photo-upload cards sit at the top, then announcements, then upcoming events.
- An event stays in the upcoming list until it ends.

Events header: leader buttons

- **OWNERS** Owners see more buttons under the title, with **Add** still first.
- The row wraps onto a second line, so **Sunday slides** and **Preview events screen** are always visible.

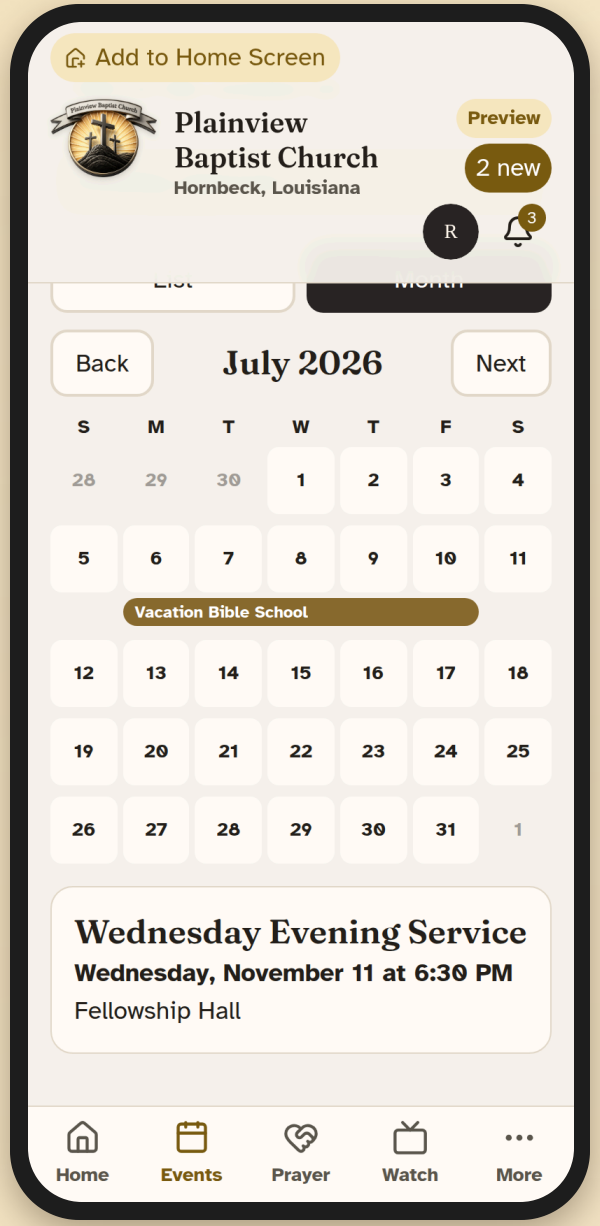

Birthdays & Anniversaries

- A month calendar of members' birthdays and wedding anniversaries, with cake and ring markers.
- No years or ages are shown, only the month and day.
- Use the arrows to move between months. That month's names are listed below the calendar.

Month view

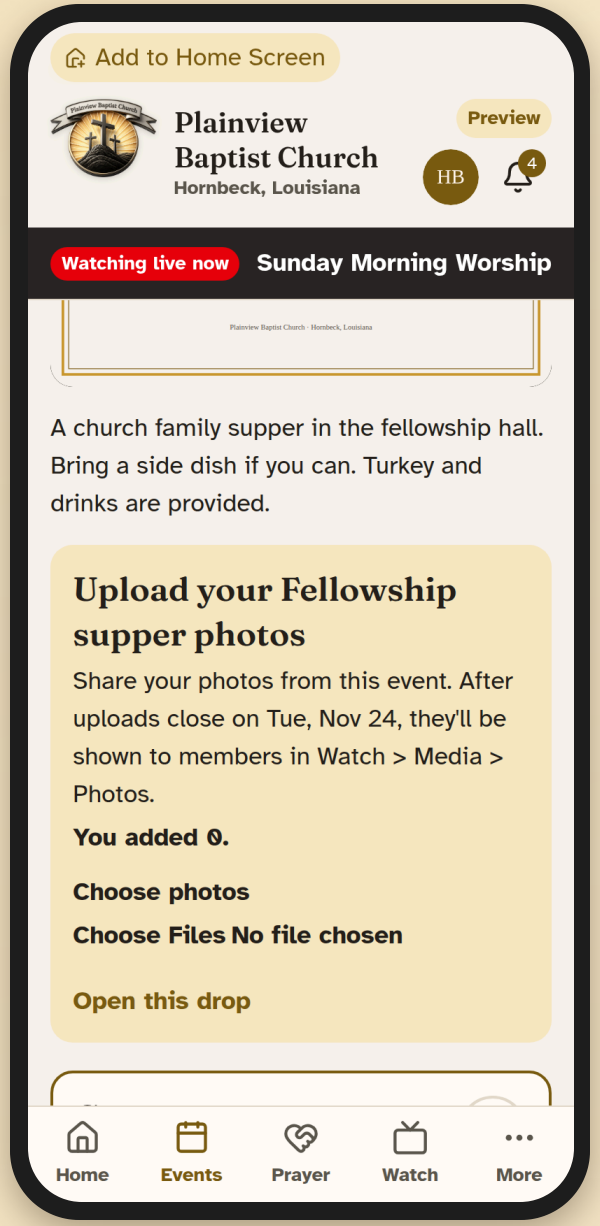

- Switch to **Month** to see events on a calendar. **Back** and **Next** change the month.
- A multi-day event shows as one colored bar across every day it covers, and the bar continues onto the next week's row.
- Here Vacation Bible School runs Monday, July 6 through Friday, July 10.

EVENTS › 5 OF 12

Event detail

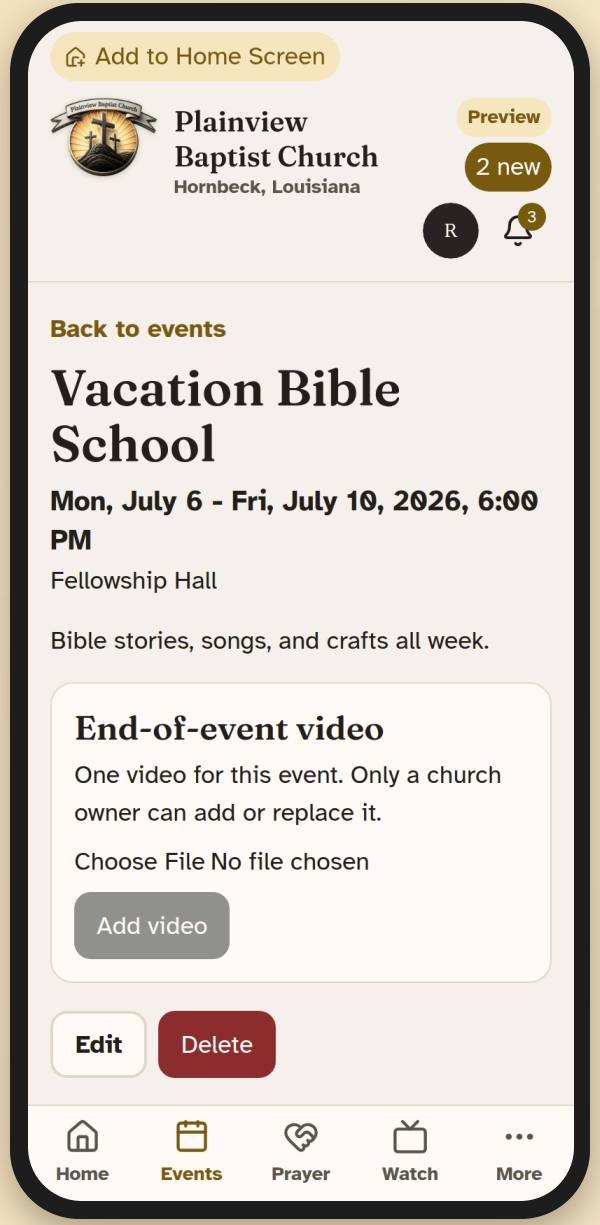

- Tap an event to see its flyer, time, place, and description.
- If the event takes photos, its upload card is here too. Uploads close 3 days after the event ends, and then the pictures are shown in **Watch › Media › Photos**.

EVENTS › 6 OF 12

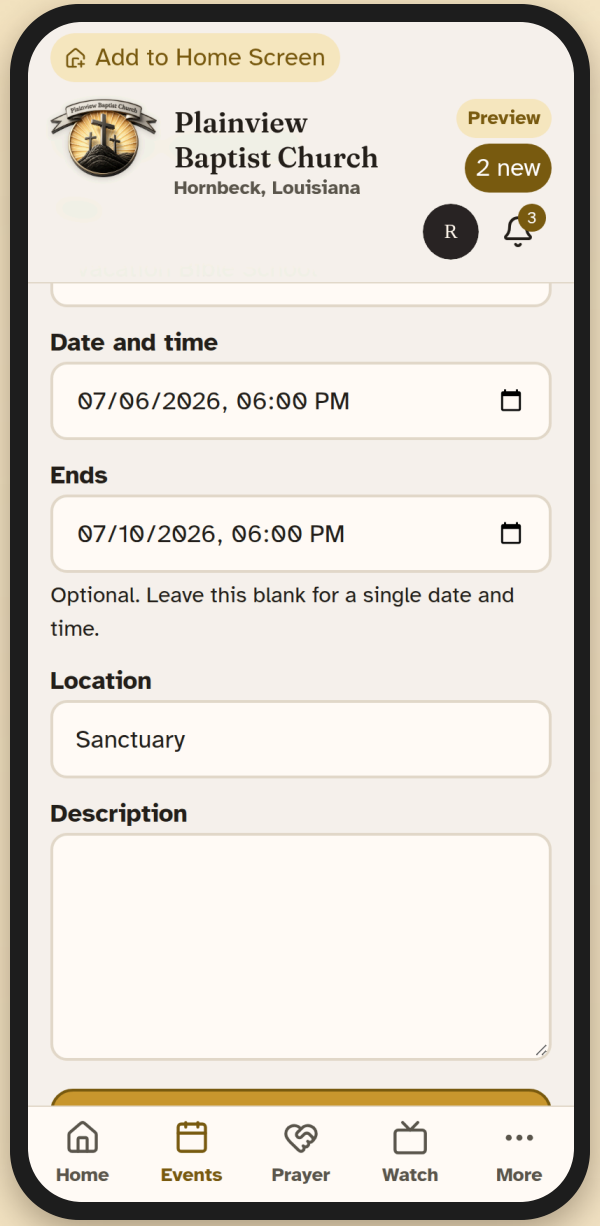

Multi-day event

- An event that lasts several days shows its dates as a range, like **Mon, July 6 - Fri, July 10, 2026, 6:00 PM**.
- It counts as upcoming until it ends, and photo uploads close 3 days after the end.
- **OWNERS** Owners also see the **End-of-event video** box and **Edit** and **Delete**.

New event

- Members can suggest an event. **Date and time** is when it starts.
- **Ends** is optional, for an event that runs several days. Leave it blank for a single-date event.
- The event stays off the calendar and the Sunday screen until an admin approves it, and you'll get a notice when it's approved or turned down.

EVENTS › 8 OF 12

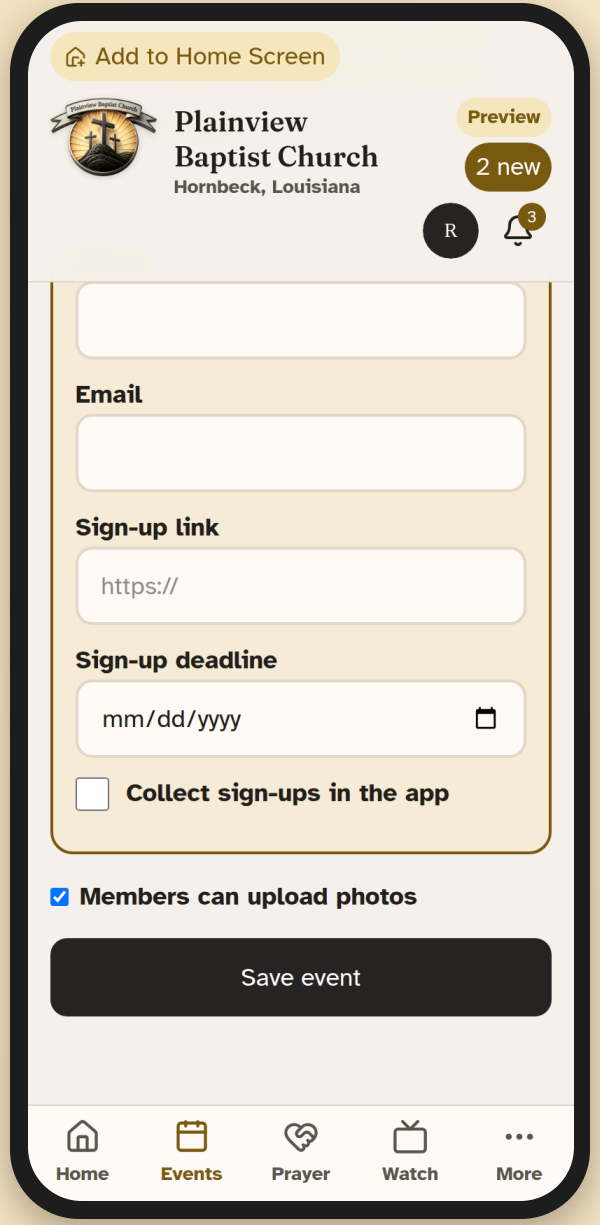

Announcement

- A posted announcement, like the Fellowship supper, also appears on the Events screen.
- Tap it to read the whole announcement. Tap **Back** to return.

Members can upload photos

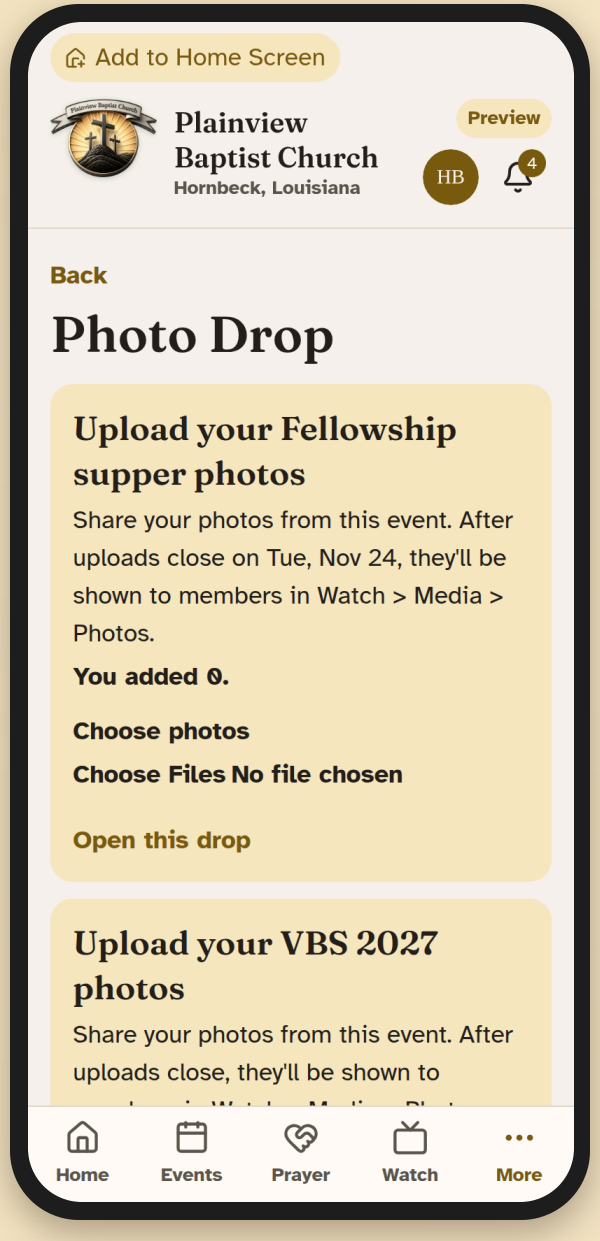

- **LEADERS** When setting up an event, check **Members can upload photos**.
- That creates a photo drop for the event, so members can add their pictures.
- The same form has optional sign-up fields: a sign-up link, a sign-up deadline, and **Collect sign-ups in the app**.
- Tap **Save event** when you're done.

EVENTS › 10 OF 12

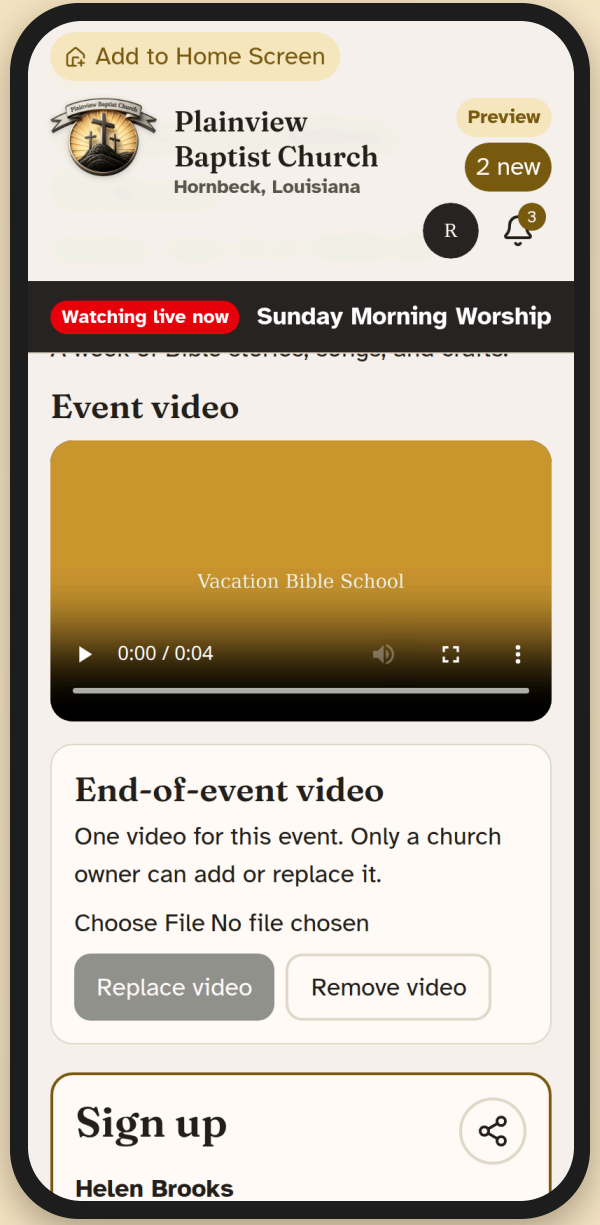

Photo upload

- Share your photos from an event. **Photos only.**
- Tap **Choose photos** to pick pictures from your phone.
- Uploads close 3 days after the event ends. Then the pictures are shown to members in **Watch › Media › Photos**.

Owner montage: end-of-event video

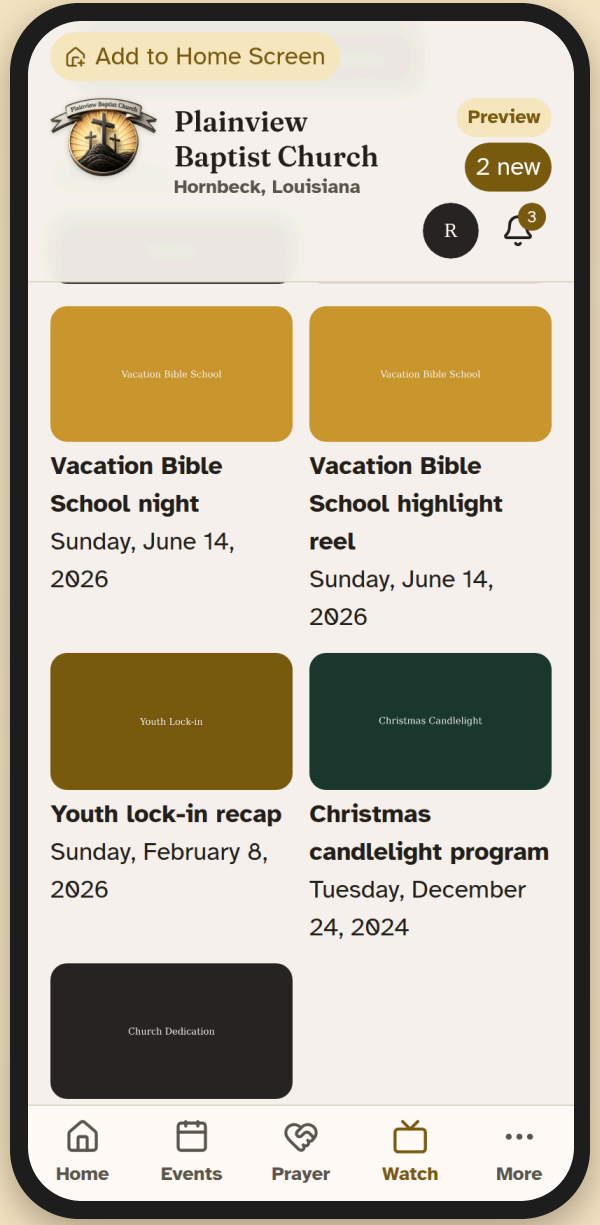

- **OWNERS** On a past event's page, the **End-of-event video** box holds one video for that event.
- Only a church owner can add or replace it, with **Replace video** or **Remove video**.

EVENTS › 12 OF 12

Owner montage in Media

- The montage then shows in **Watch › Media › Videos** for everyone to watch.
- Montages and saved videos use the same full date, with the year, like **Sunday, June 14, 2026**. Here it's Vacation Bible School night.

PRAYER › 1 OF 5

Prayer list

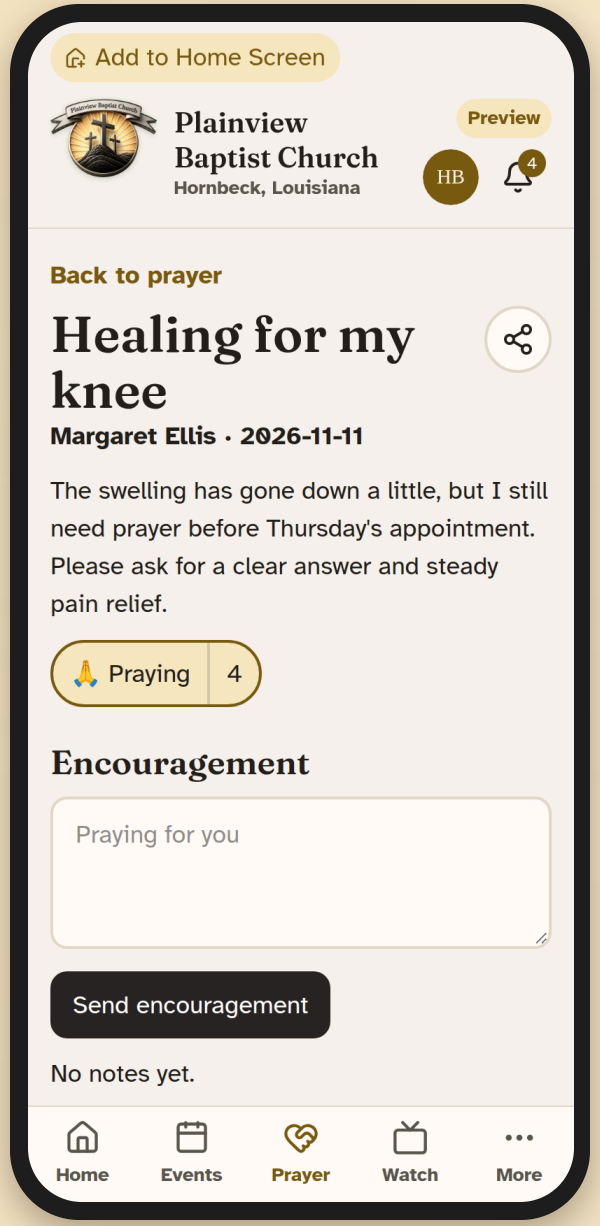

- Active prayer requests that members can read.
- Tap **Praying** to show you're praying. The number shows how many are praying.
- Switch between **Active** and **Past prayers**, open **Daily prayer**, or tap **New request**.

PRAYER › 2 OF 5

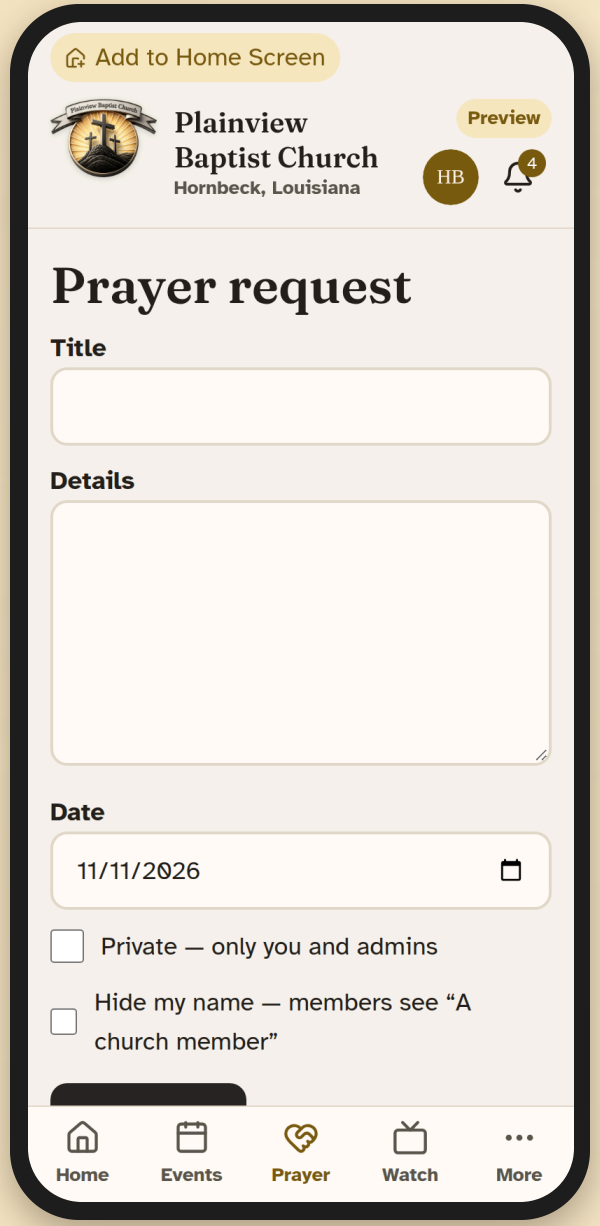

Prayer request

- Open a request from the list to read all of it.
- Tap **Praying**, or write a note and tap **Send encouragement**.

New prayer request

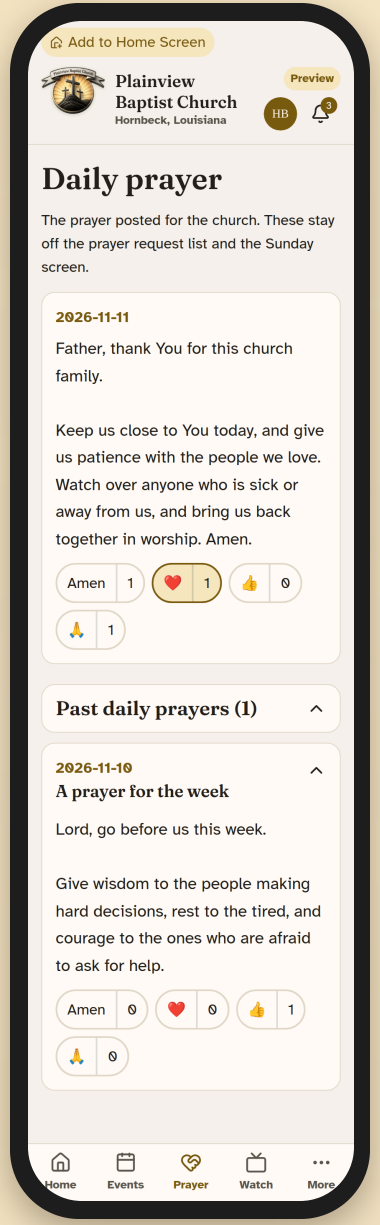

- Give your request a title, details, and a date.
- Check **Private** so only you and the admins see it.
- Or check **Hide my name**, and members see “A church member.”

PRAYER › 4 OF 5

Daily prayer

- Today's prayer posted for the church, with earlier ones listed.
- The prayer is shown without the name of the person who wrote it.
- Daily prayers stay off the prayer request list and the Sunday screen.

PRAYER › 5 OF 5

Daily prayer detail

- Open a daily prayer to read it in full.
- The prayer is shown without the name of the person who wrote it.
- Say **Amen** or tap a quick reaction.

Live

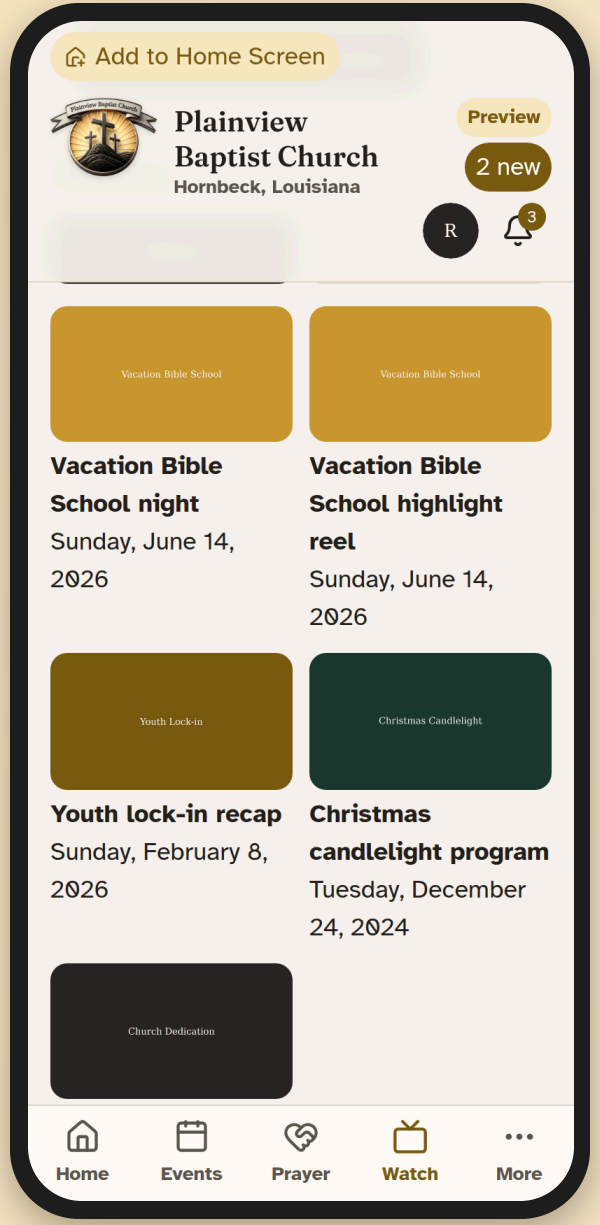

- When a service is live, a red **Watching live now** banner runs across the top, and Watch shows **Live now** with the service name.
- Services stream on Facebook Live. Tap **Open on Facebook** to watch there.
- Right below is **Media**, with photos and videos from past events.

WATCH › 2 OF 8

Media: Videos

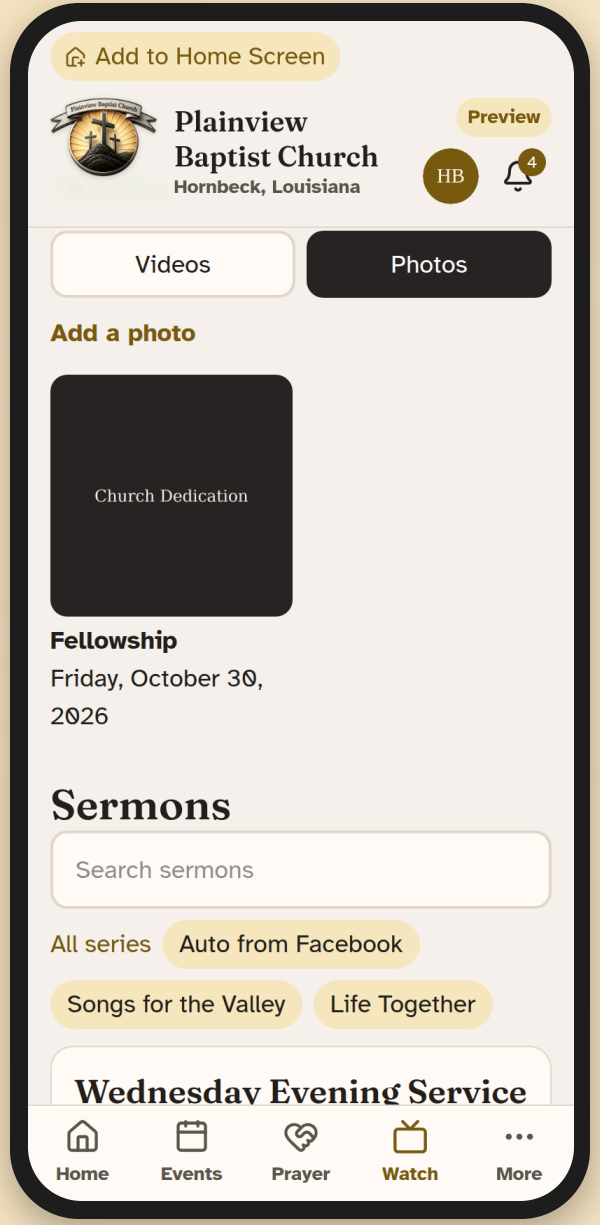

- **Media** holds the photos and videos from past church events.
- **Videos** is shown first, including the owner's end-of-event video montages.
- Newest first, with the date under each, like Sunday, June 14, 2026.

WATCH › 3 OF 8

Media: Photos

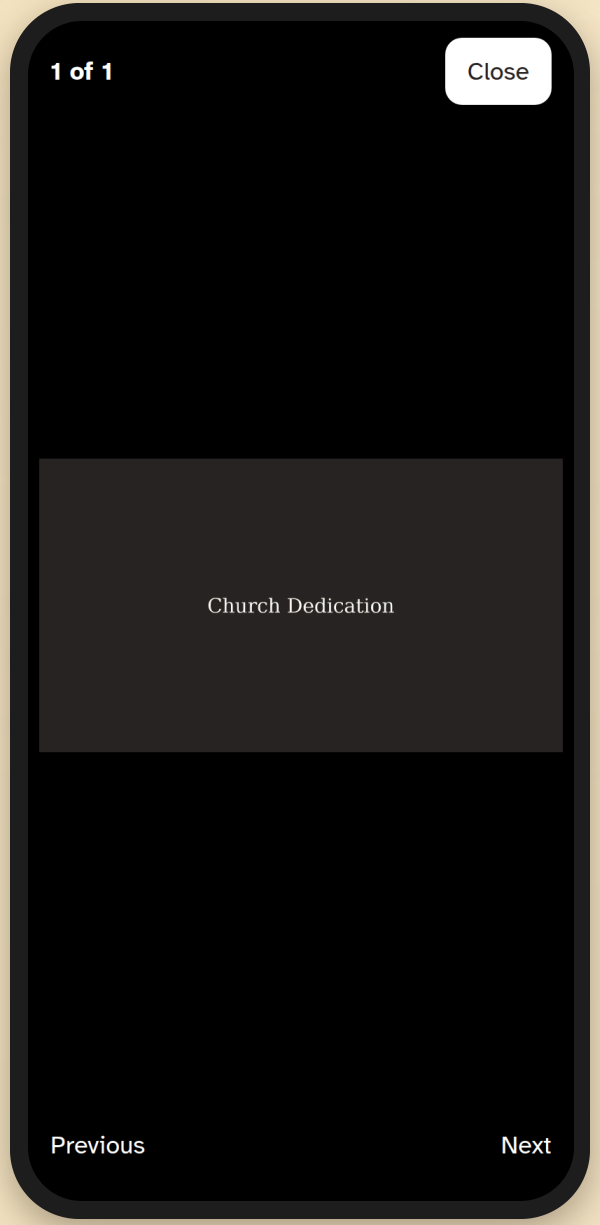

- Tap **Photos** to see pictures saved from past events, including members' uploads once a photo drop closes.
- Newest first, with the date under each.
- **Add a photo** is for approved members, admins, and owners. People waiting for approval and visitors can't use it.

WATCH › 4 OF 8

Photo viewer

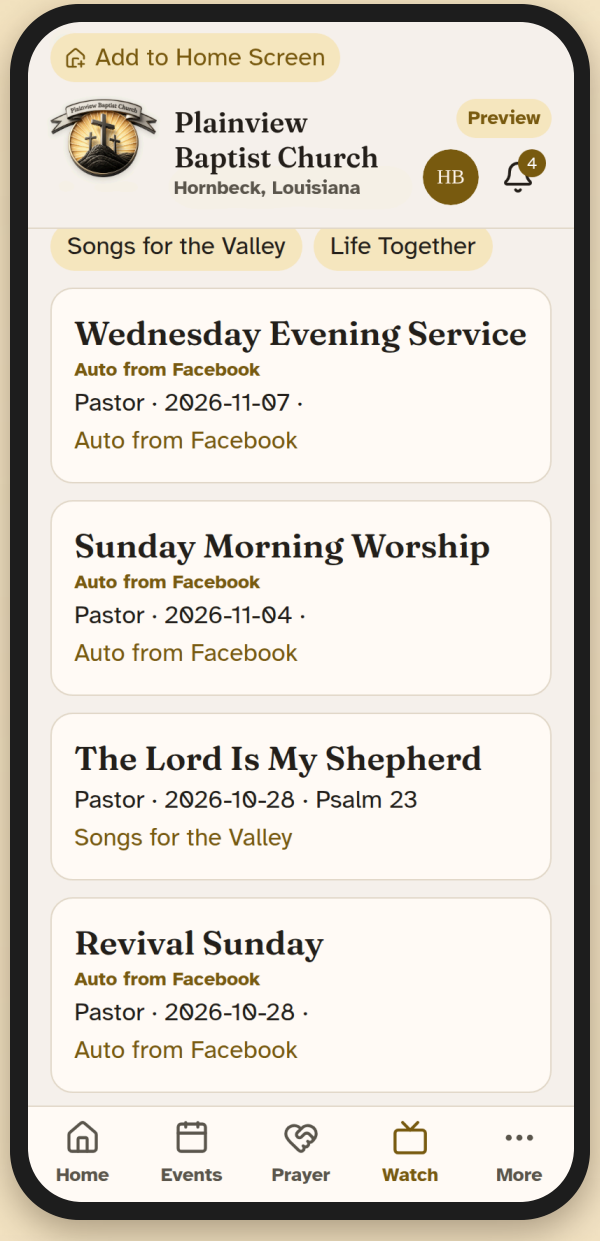

- Tap an album in Media › Photos to see its pictures full screen.
- **Previous** and **Next** move between pictures, the counter shows where you are, and **Close** takes you back.

WATCH › 5 OF 8

Sermons

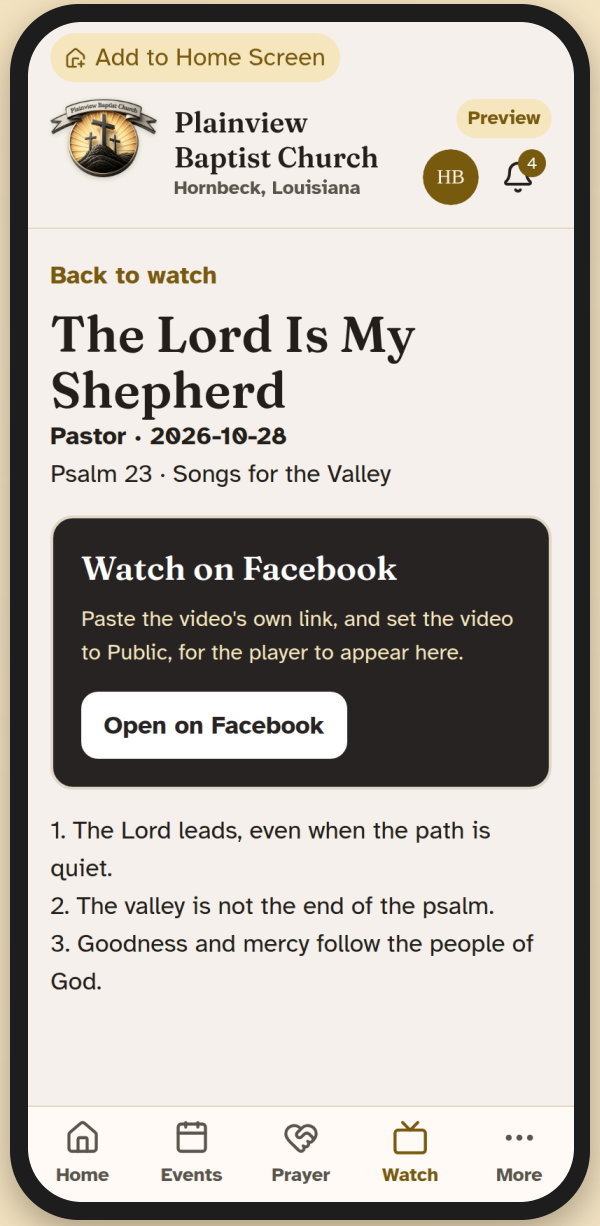

- **Sermons** sit below Media.
- Search sermons, or tap a series name to narrow the list.

WATCH › 6 OF 8

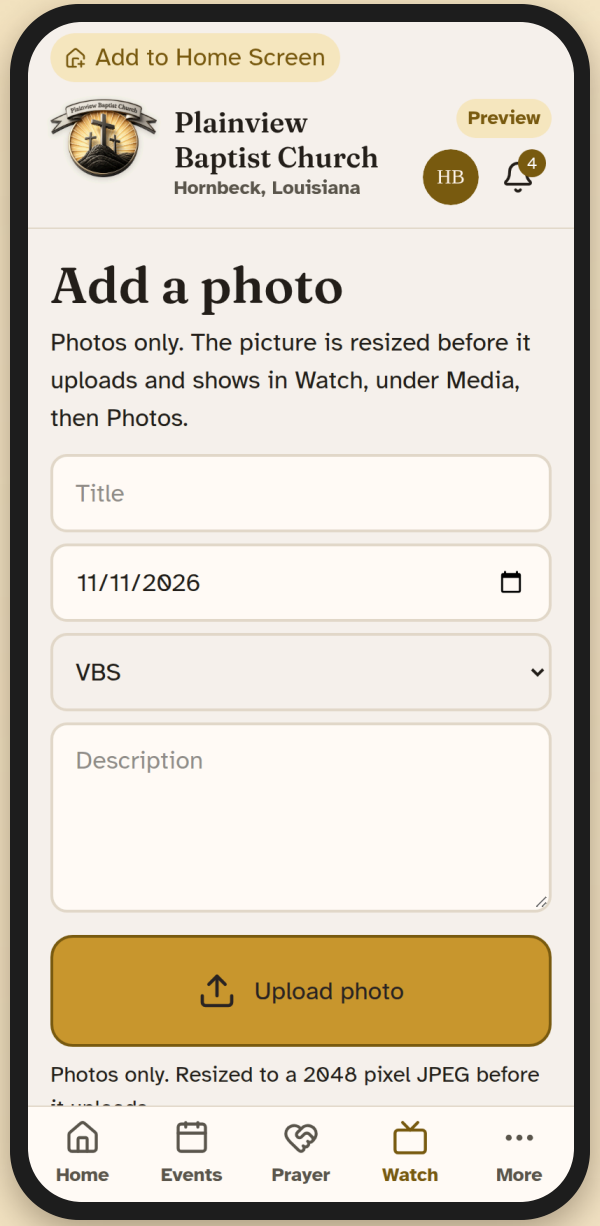

Sermon

- Open a sermon to see who preached, the date, Scripture, and series.
- Watch it on Facebook and read the sermon's main points.

Add a photo

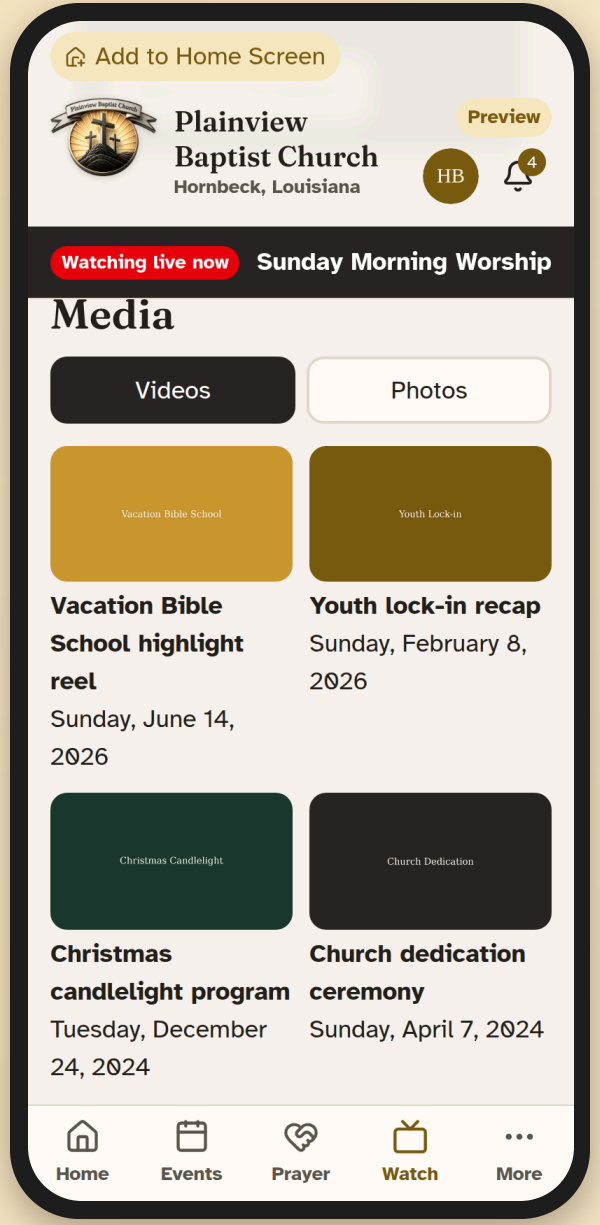

- The form for adding a photo to Media: title, date, category, and description.
- Tap **Upload photo**. **Photos only**; there's no video option.
- The photo then shows in Watch, under Media, then Photos. Only approved members, admins, and owners can use this form.

WATCH › 8 OF 8

Saved event videos

- Saved event videos are listed in **Media › Videos**.
- For example, the Vacation Bible School highlight reel, dated Sunday, June 14, 2026.
- Tap a video to open it.

GUESTS › 1 OF 6

How guests find us

Starting **Nov 11, 2026**, people who aren't members can open the app from the church's Facebook page and the church website.

Visitors tap **Continue as guest** to look around, or **Sign in / Join** to become a member.

Facebook

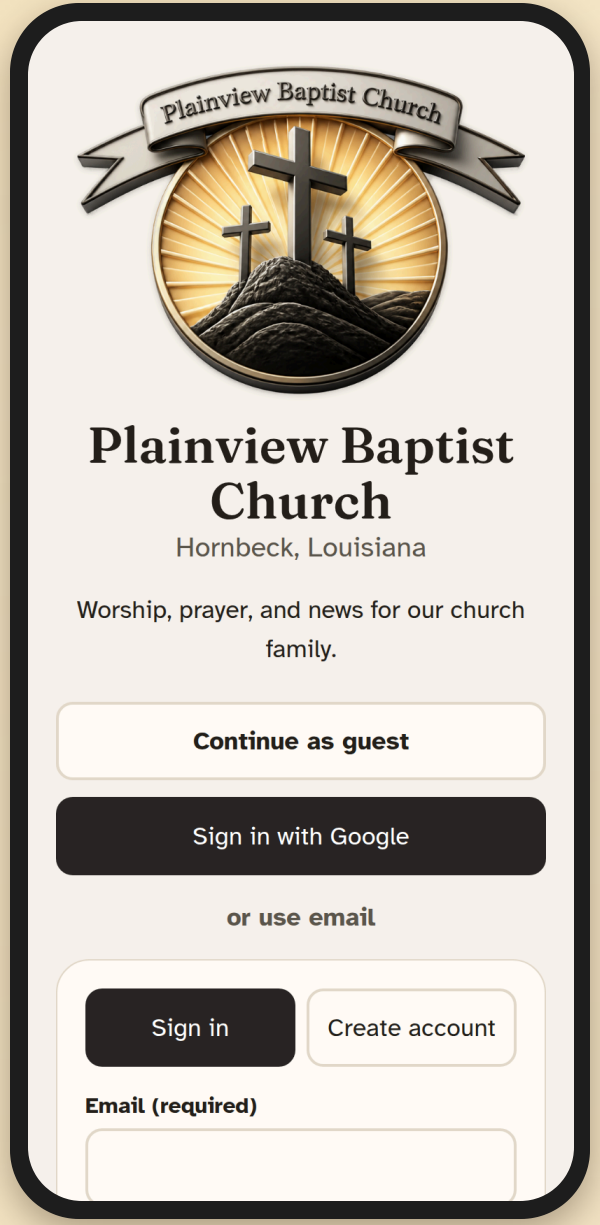

The app link **plainviewbaptist.github.io** goes in the Page's website field and in a pinned post.

Church website

The old church website will send visitors straight to the app.

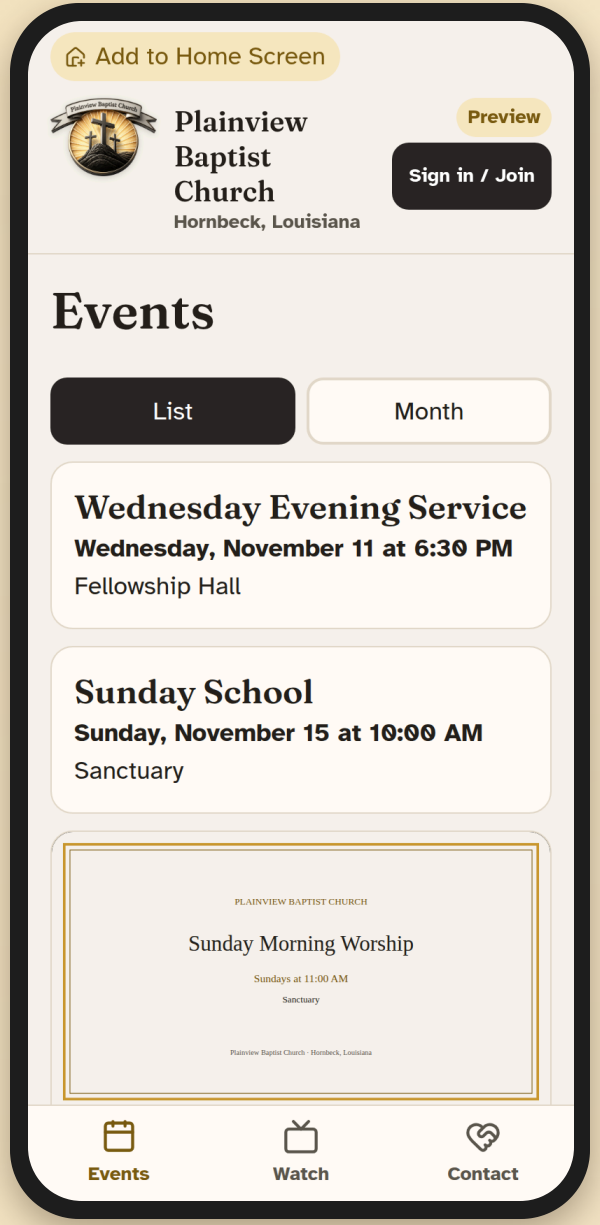

Welcome screen

- The welcome screen has a **Continue as guest** button, next to **Sign in with Google** and signing in with email.
- Anyone who isn't signed in, or whose account is still waiting for approval, is a guest.

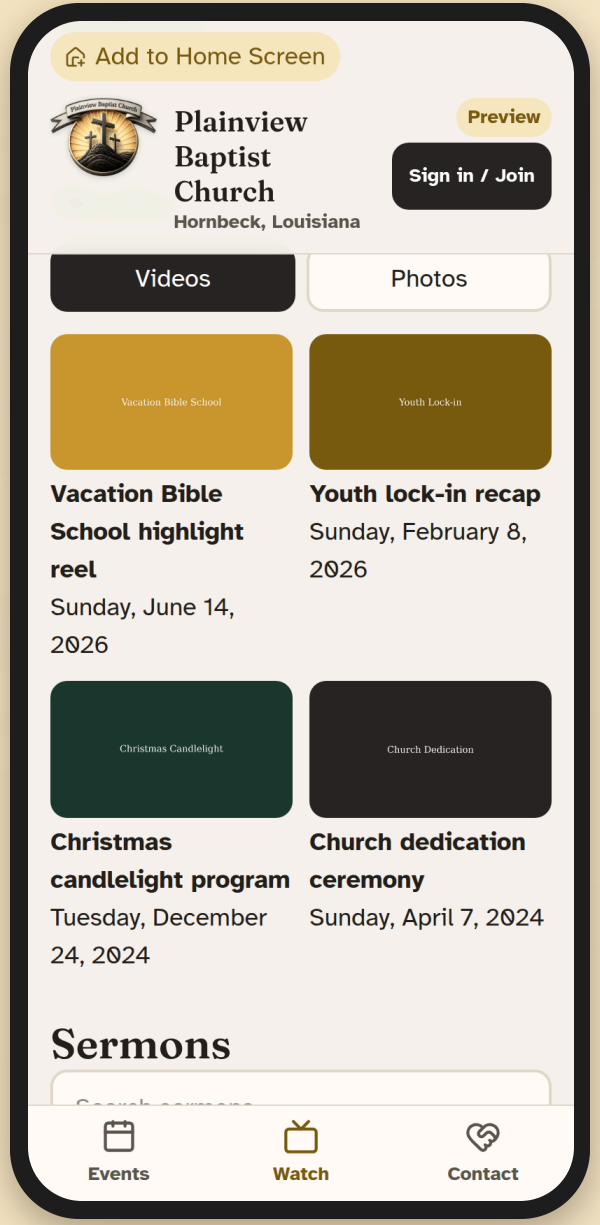

Guest: Events

- Guests get only three bottom tabs: **Events**, **Watch**, and **Contact**. A **Sign in / Join** button sits in the header.
- Events has **List** and **Month** views, event details, past events, and montage videos.
- Birthdays & Anniversaries aren't shown to guests.

Guest: Watch

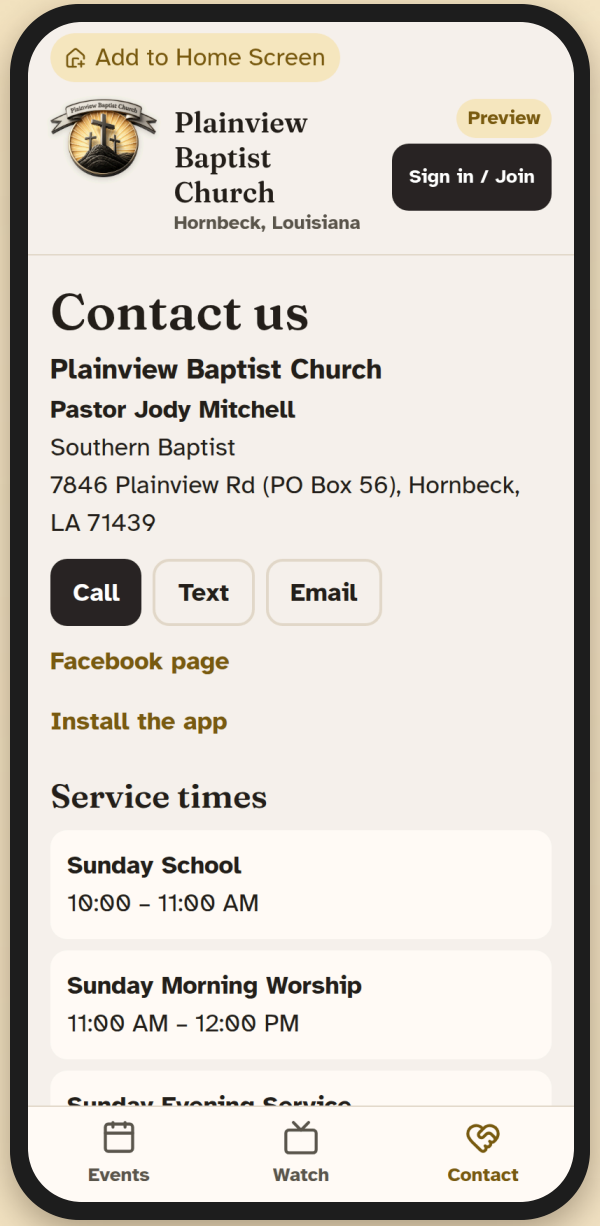

- Guests can watch the live stream and sermons.
- They can also browse **Media**, with both **Videos** and **Photos**.

GUESTS › 5 OF 6

Guest: Contact

- Guests can **Call**, **Text**, or **Email** the church, open our Facebook page, and see the service times.
- The message form is hidden for guests.

What guests can't do

Guests see only a cleaned-up copy of event and media information, with no member names, phones, or emails.

To do more, tap **Sign in / Join** and wait for approval.

MORE › 1 OF 21

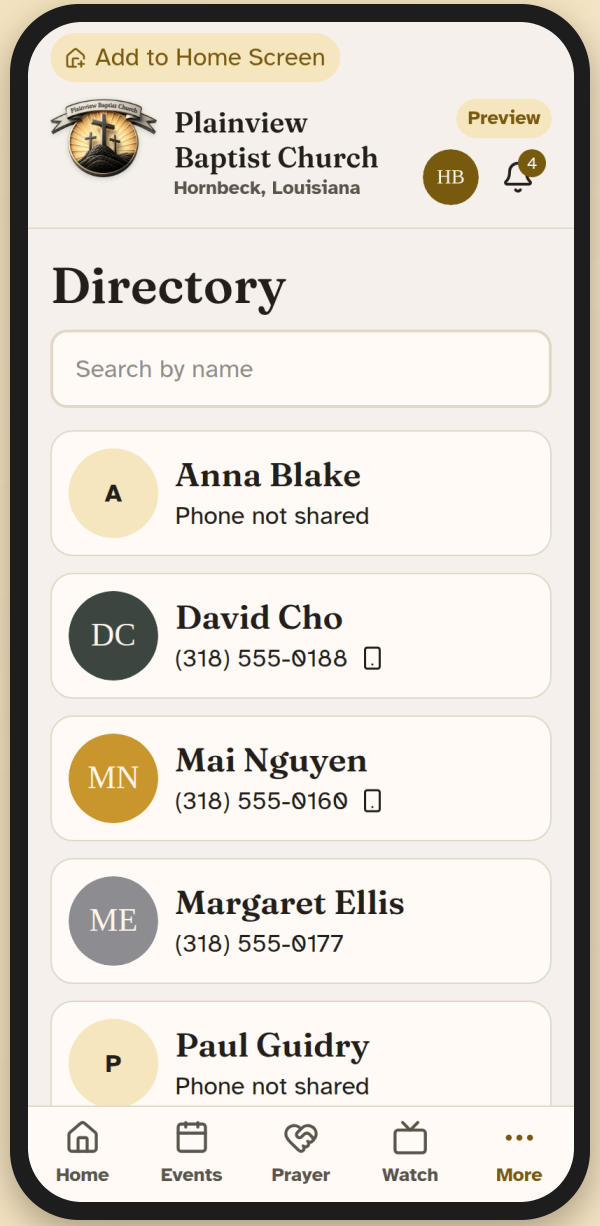

More

- Everything that isn't on the bottom bar.
- **Photo Drop** (add photos), Feedback, Directory, Daily prayer, Bible, music, giving, your profile, contact, and install help are all here.

Directory

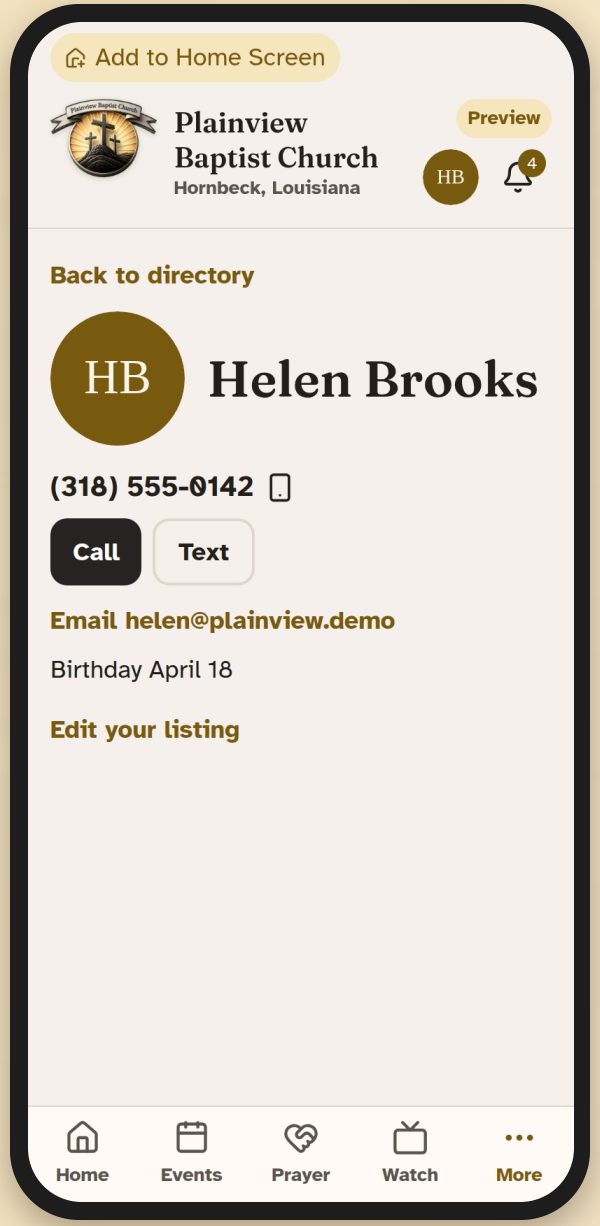

- Church families and members.
- Search by name. A phone number shows only when that member has shared it.

MORE › 3 OF 21

Directory member

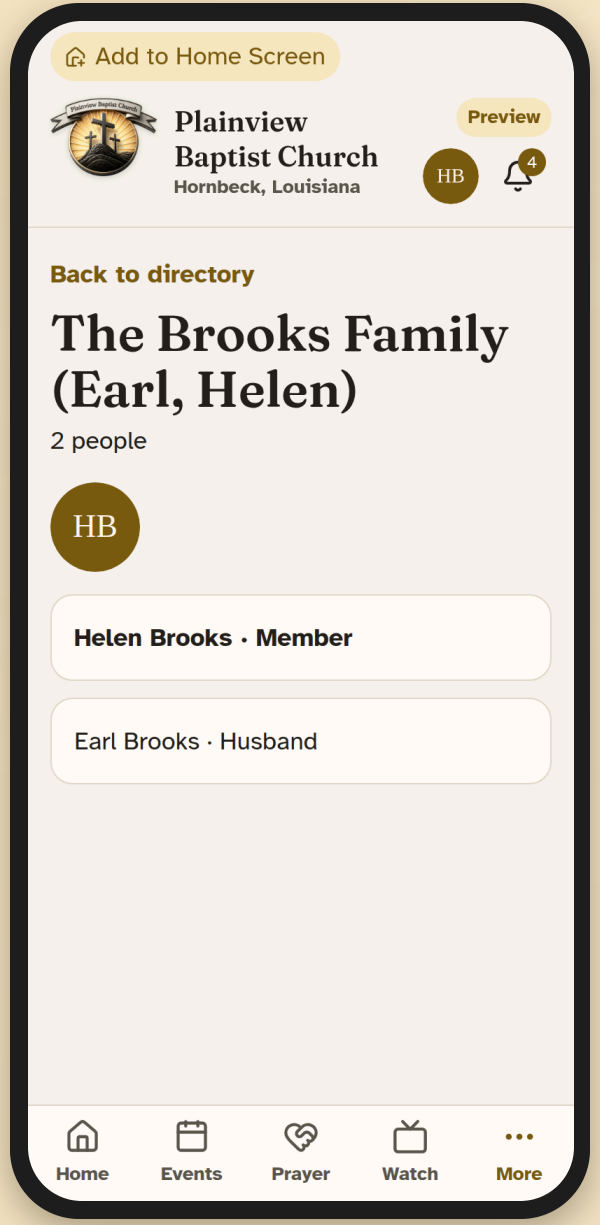

- Tap a name to see their card.
- **Call** or **Text** them, and see their email and birthday.
- On your own card, tap **Edit your listing**.

MORE › 4 OF 21

Family page

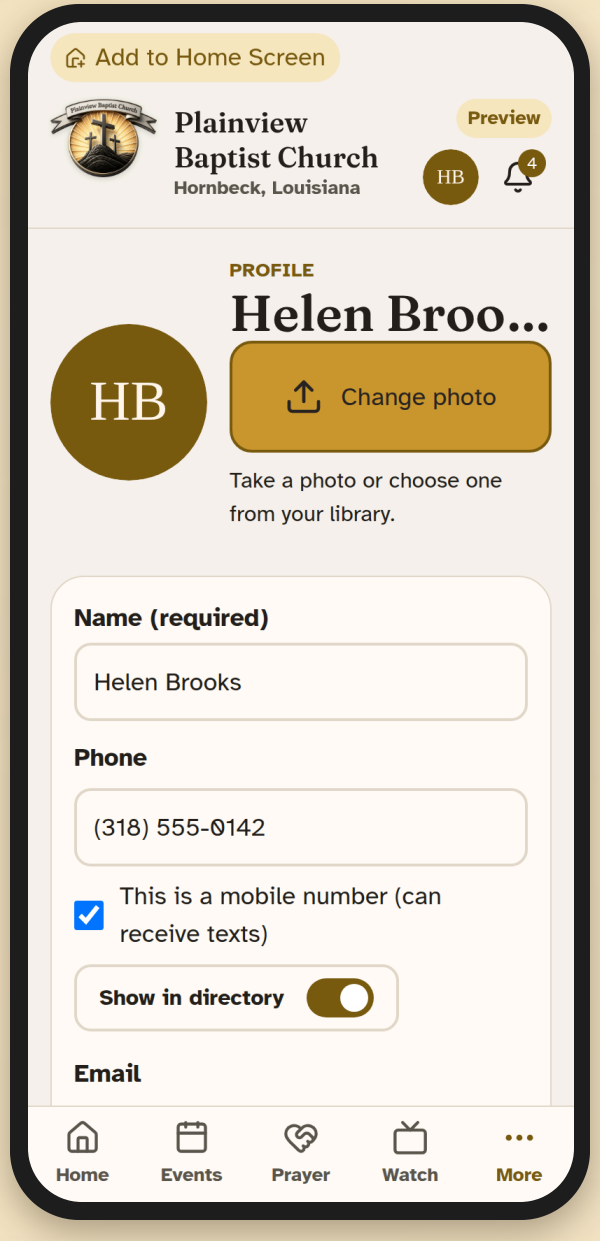

- A family page shows the people in that household and how they're related.

MORE › 5 OF 21

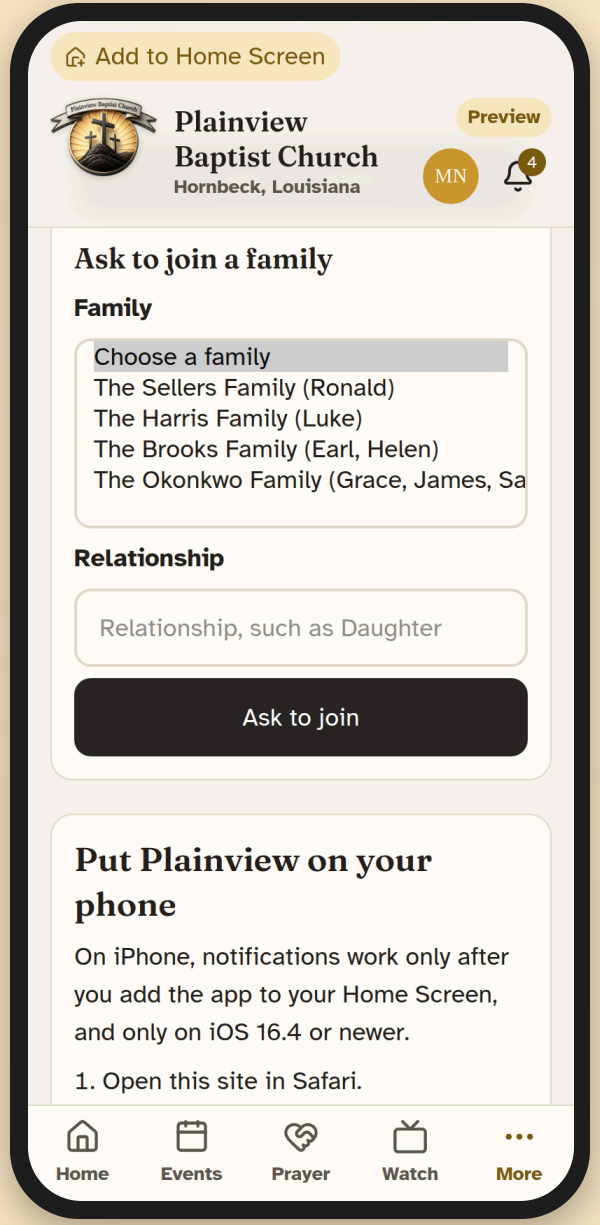

Profile

- Your own profile. Tap **Change photo**, then update your name, phone, and email.
- Check that your number is a mobile so it can get texts.
- The **Show in directory** switch decides whether you're listed.

Profile: join a family

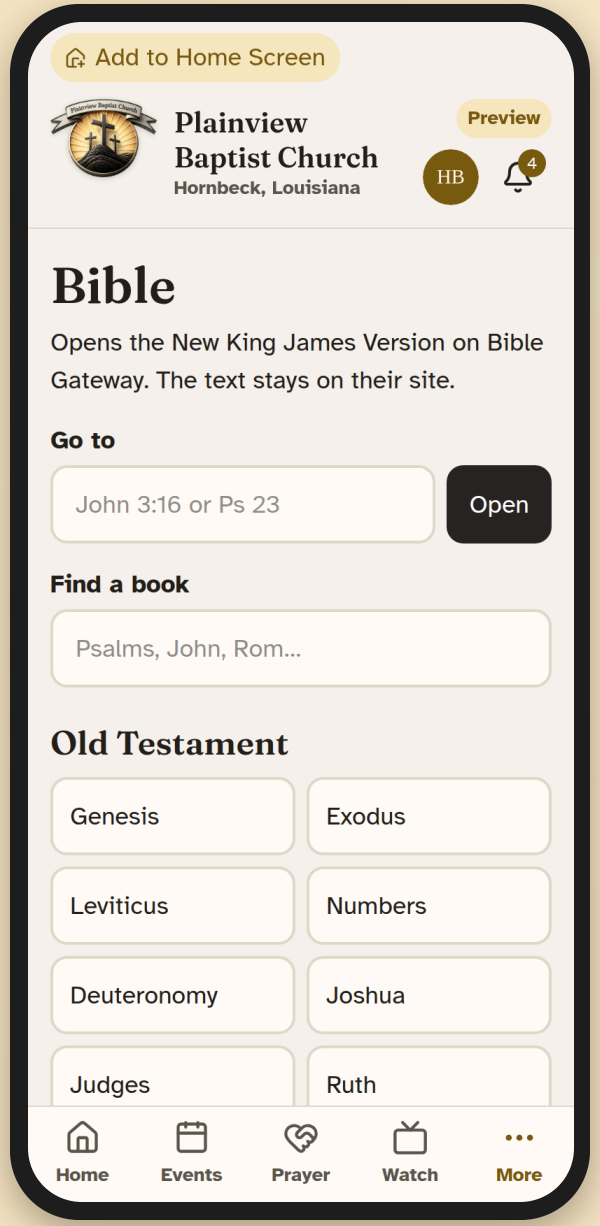

- New members can ask to join a family.
- Families are listed by name with their members' first names. Choose one, enter your relationship, and tap **Ask to join**.
- The family gets a notice to approve.

MORE › 7 OF 21

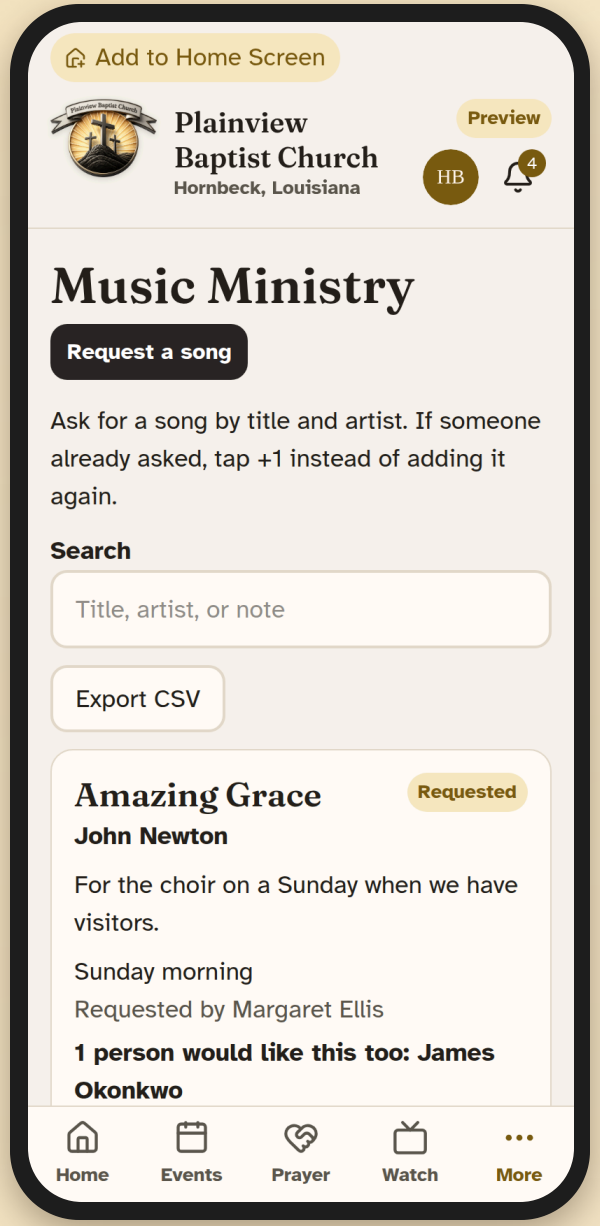

Bible

- Opens the New King James Version on Bible Gateway.
- Type a verse, like John 3:16, and tap **Open**, or pick a book.

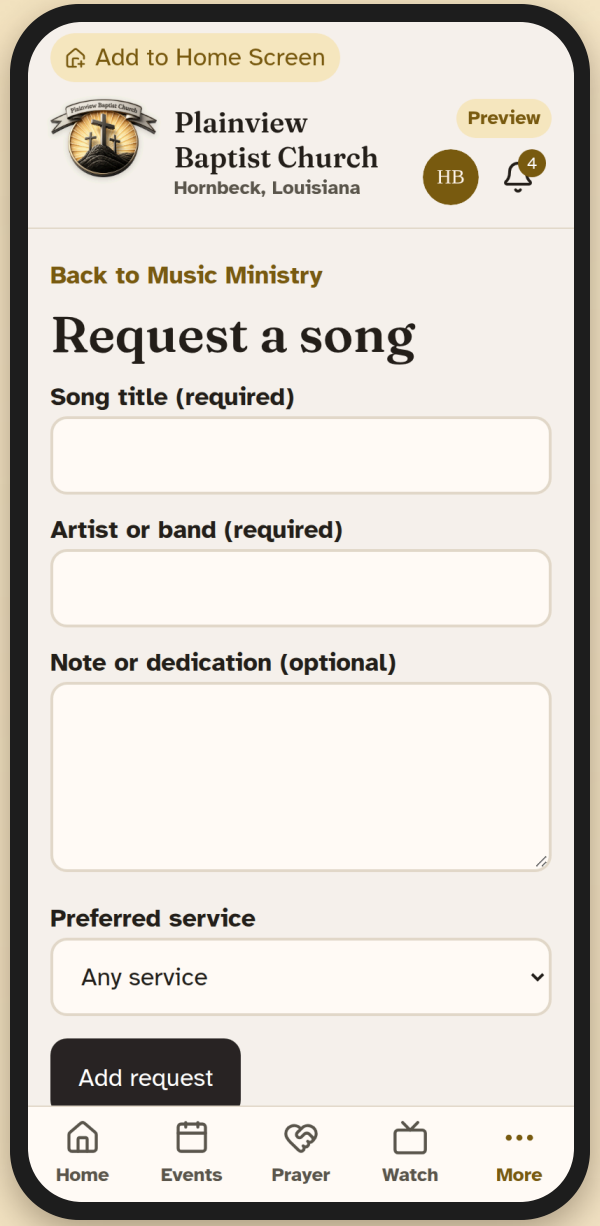

Music Ministry

- Ask the music team for a song by title and artist.
- If someone already asked for it, tap **+1** instead of adding it again.
- **Export CSV** saves the request list as a file.

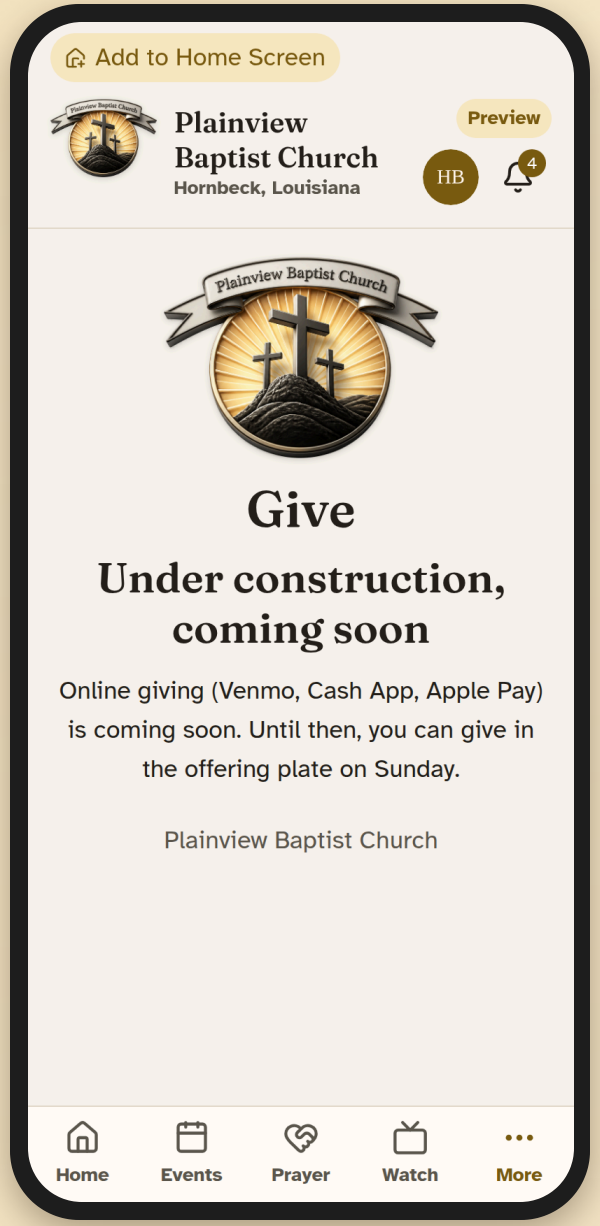

Request a song

- Enter the song title and artist or band, plus an optional note or dedication.
- Pick a preferred service, then tap **Add request**.

Give

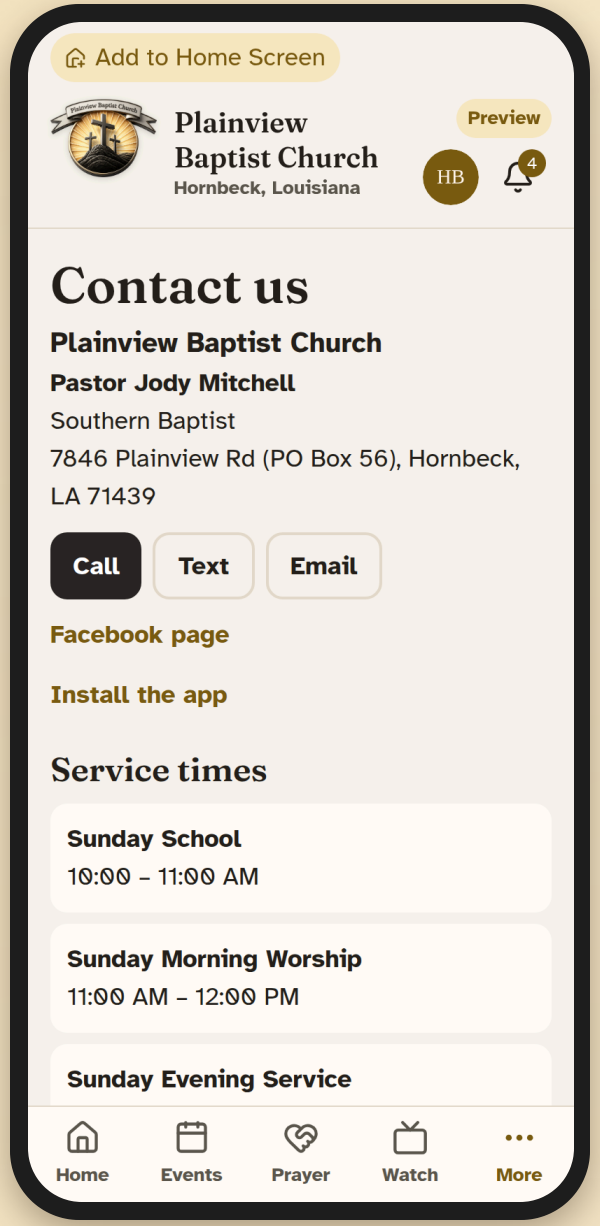

- Giving is still under construction.
- Online giving (Venmo, Cash App, Apple Pay) is coming soon. Until then, you can give in the offering plate on Sunday.

MORE › 11 OF 21

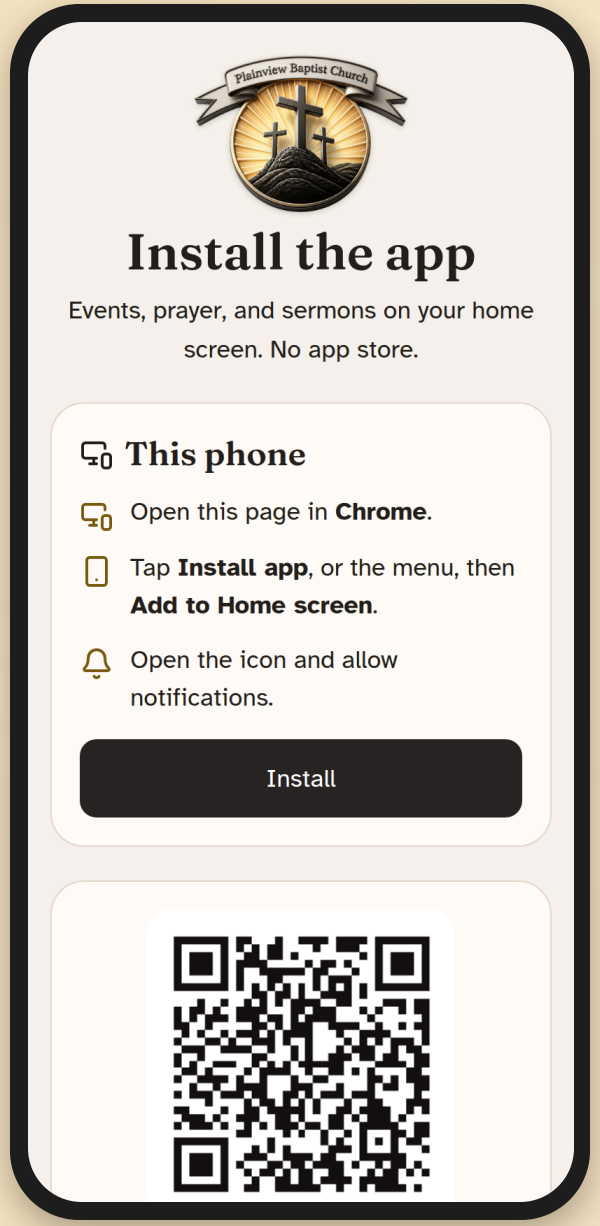

Contact

- Call, Text, or Email the church.
- You'll also find the address, our Facebook page, and service times.

Install the app

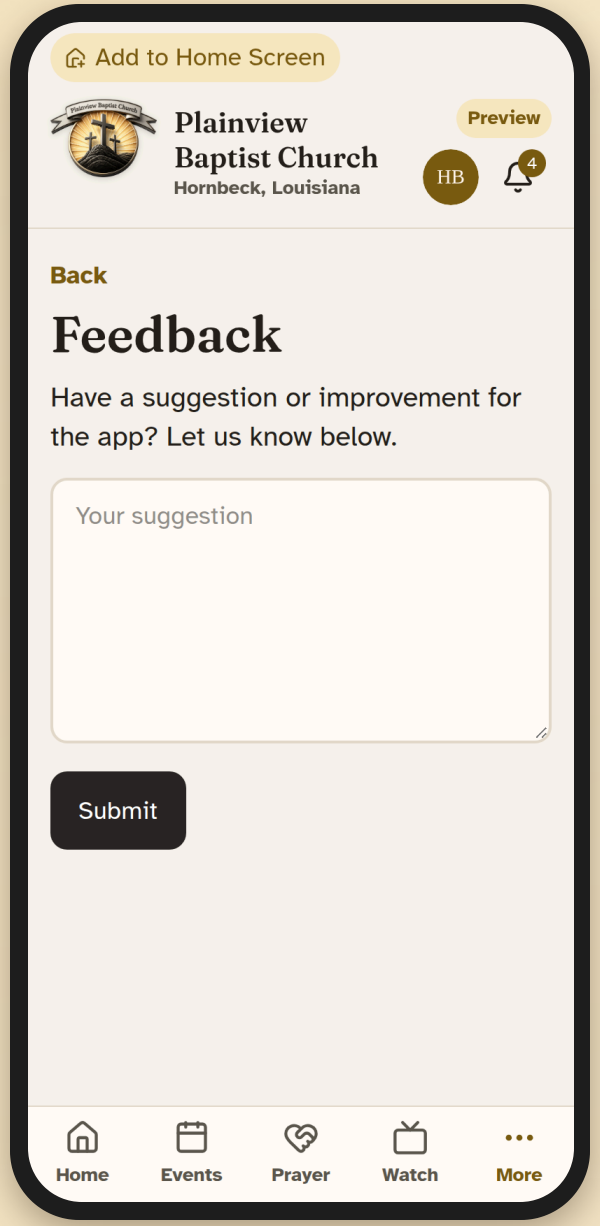

- Step-by-step help for adding the app to your phone's home screen.
- On Android: open the page in Chrome, tap **Install app** or **Add to Home screen**, then allow notifications.
- A QR code is there to share the app with others.

MORE › 13 OF 21

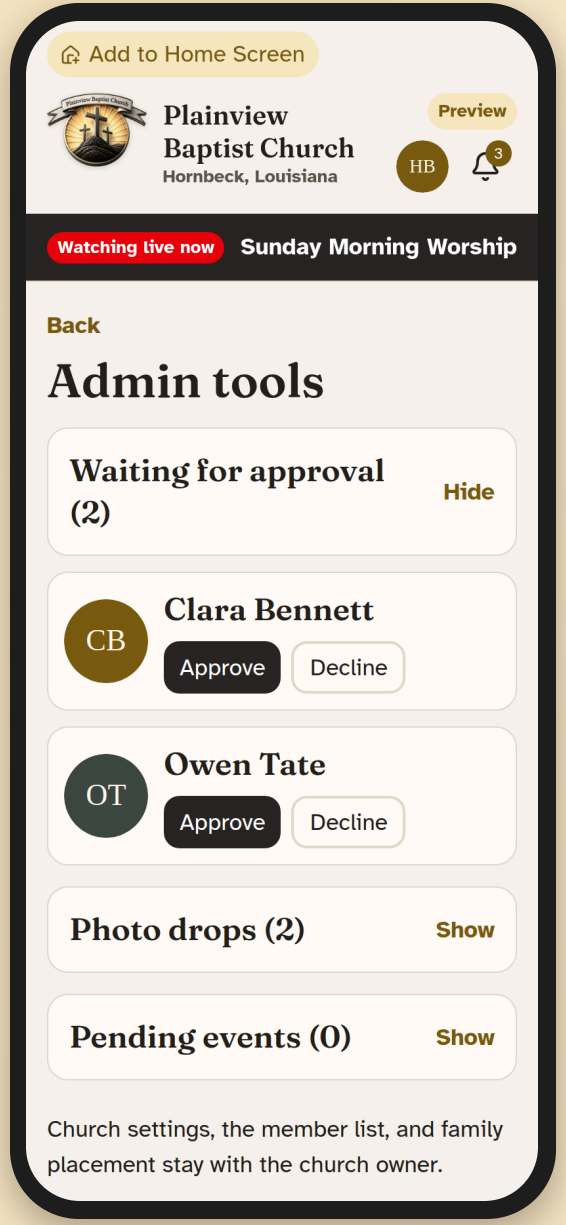

Feedback

- Have a suggestion or improvement for the app?
- Type it and tap **Submit**.

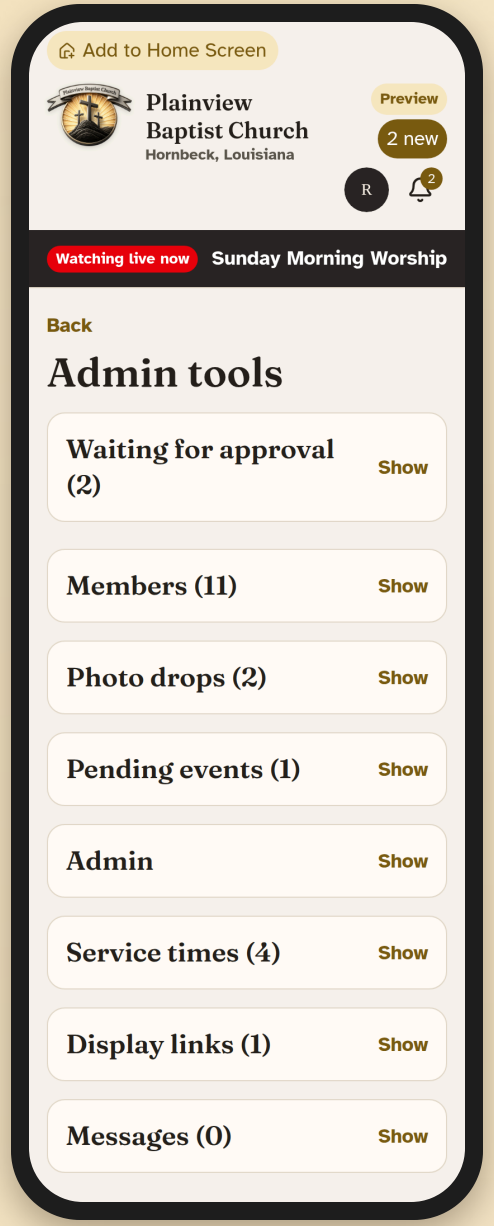

Admin tools (admin)

- ADMINS **Waiting for approval** is at the top of Admin tools, because approvals happen most often. Tap **Approve** or **Decline** for each new member.
- Below that are **Photo drops** and **Pending events**. After a photo drop closes (3 days after the event ends), the photos show in Watch › Media › Photos.
- Each section has a gold **Show**/**Hide** button. Approvals starts open when someone is waiting; the other sections start closed.
- Admins see only a new member's name and photo, never private details, the Members section, or families.

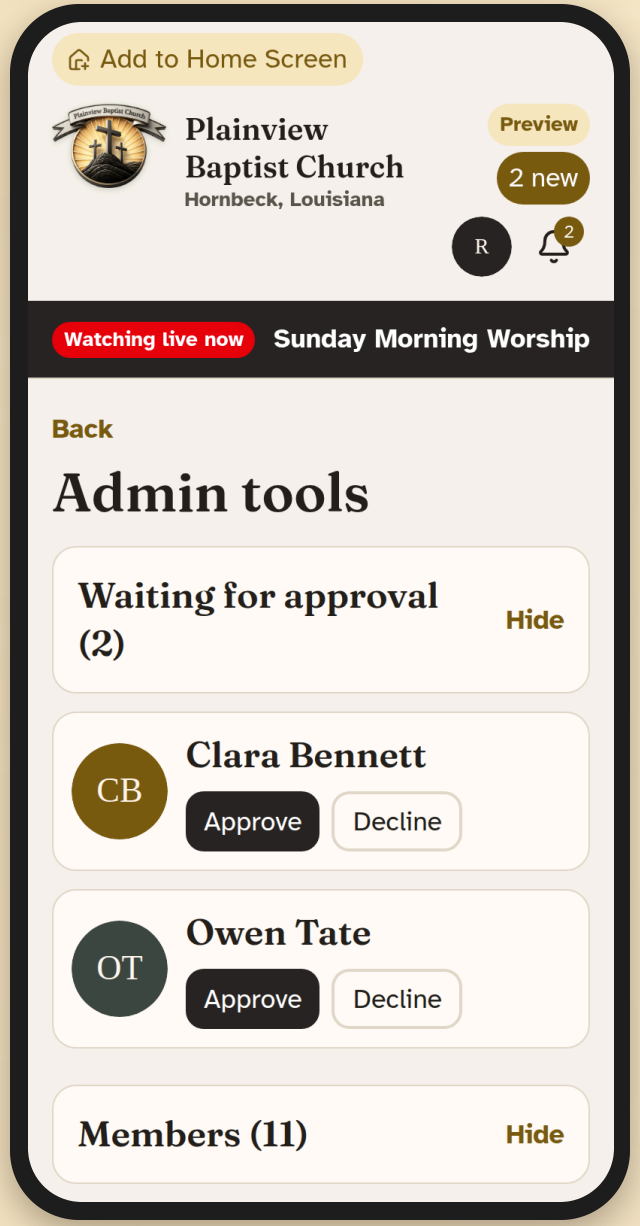

Owner tools: overview

- **OWNERS** Every section in Admin tools has its own gold **Show/Hide** button. Most headers show a count, like **Members (11)**.
- **Members** sits directly under **Waiting for approval**.
- **Waiting for approval** starts open when someone is waiting. Every other section, including Members, starts closed until you tap **Show**.

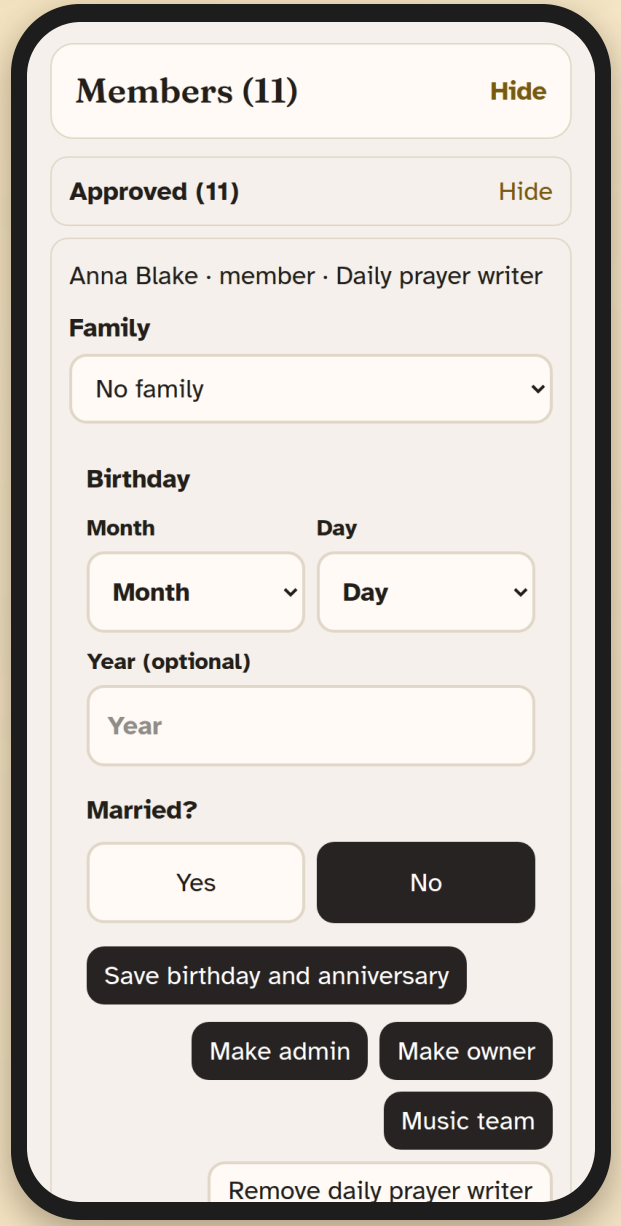

Owner tools: approvals

- **OWNERS** Owners see **Waiting for approval** once, at the top, because approvals happen most often.
- Each new member has **Approve** and **Decline**.
- **Members** comes next.

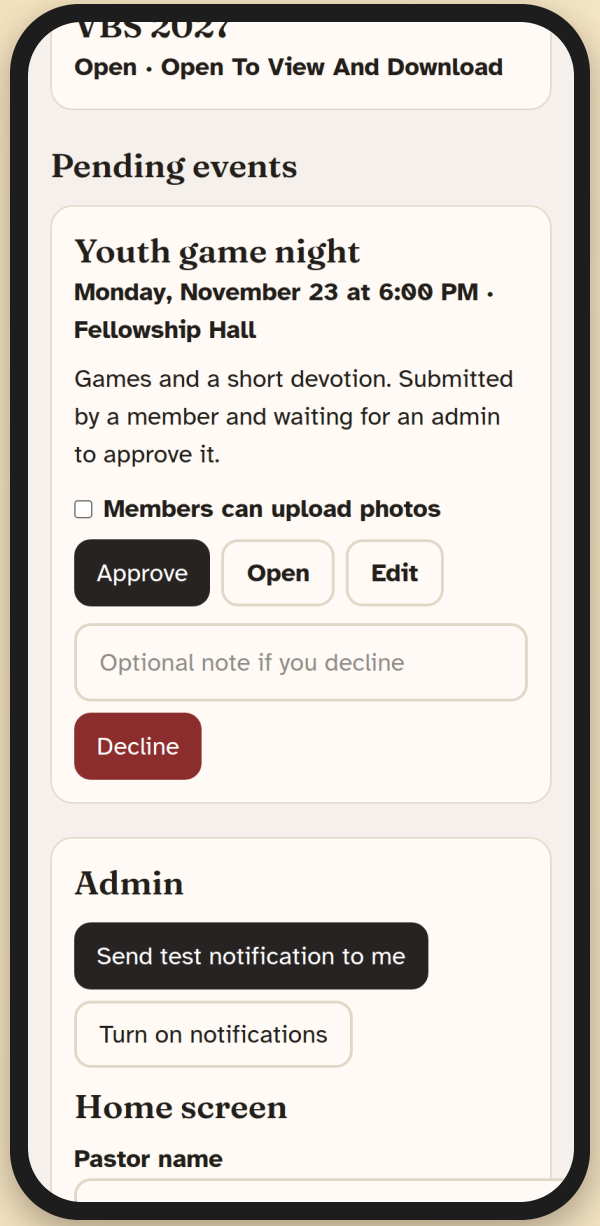

Owner tools: members list

- **OWNERS** Only owners see the **Members** section. It starts closed; tap **Show** to open it.
- The **Members** list shows approved people.
- Use the **Family** list to put someone in a family, or pick **+ New family…** to start one.
- **Make admin** or **Make owner**. The app allows up to 2 owners.

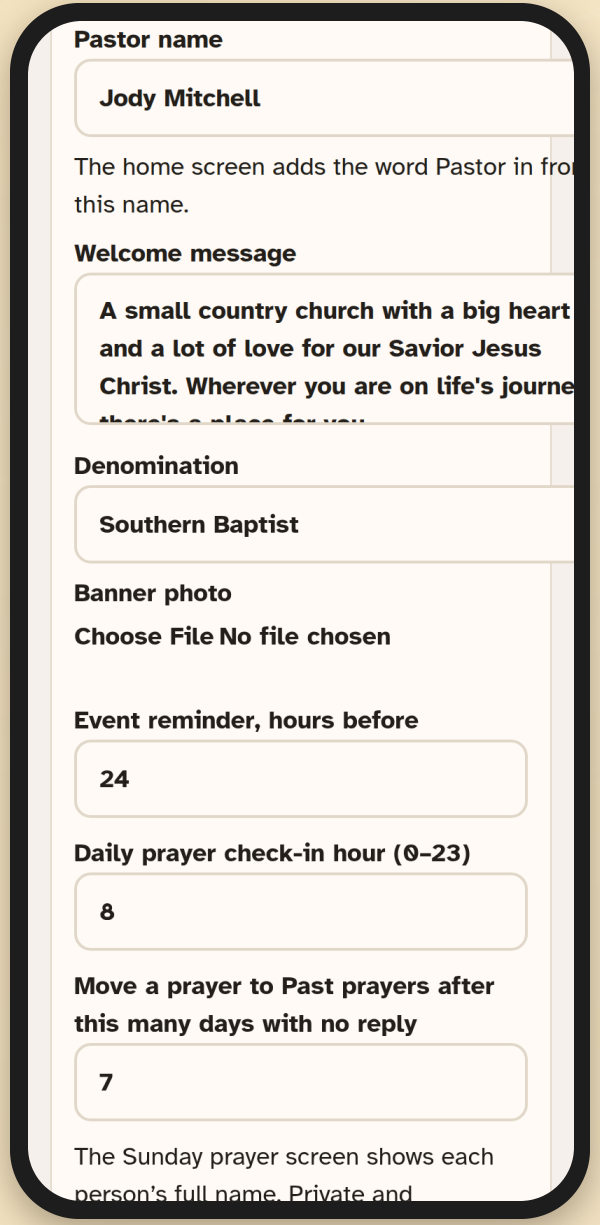

Owner tools: pending events

- Events that members suggest wait here.
- **Approve**, **Open**, **Edit**, or **Decline** with an optional note. You can check **Members can upload photos** before approving.

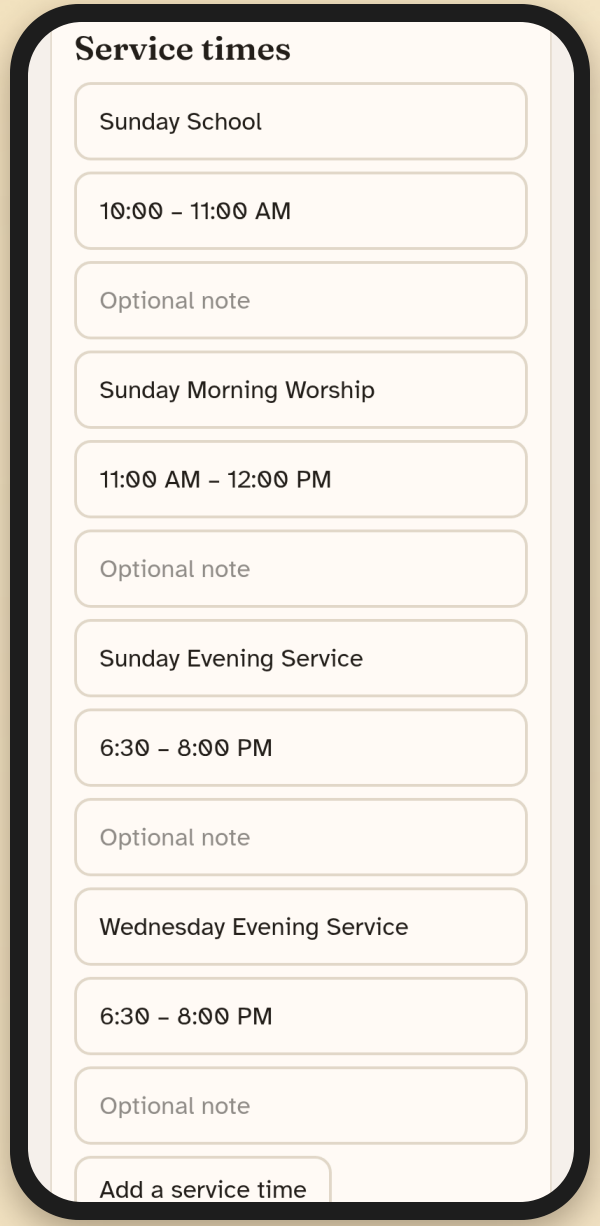

Owner tools: church settings

- Owners set up the home screen: pastor name, welcome message, denomination, and banner photo.
- Also event reminders, the daily prayer check-in hour, and when prayers move to Past prayers.

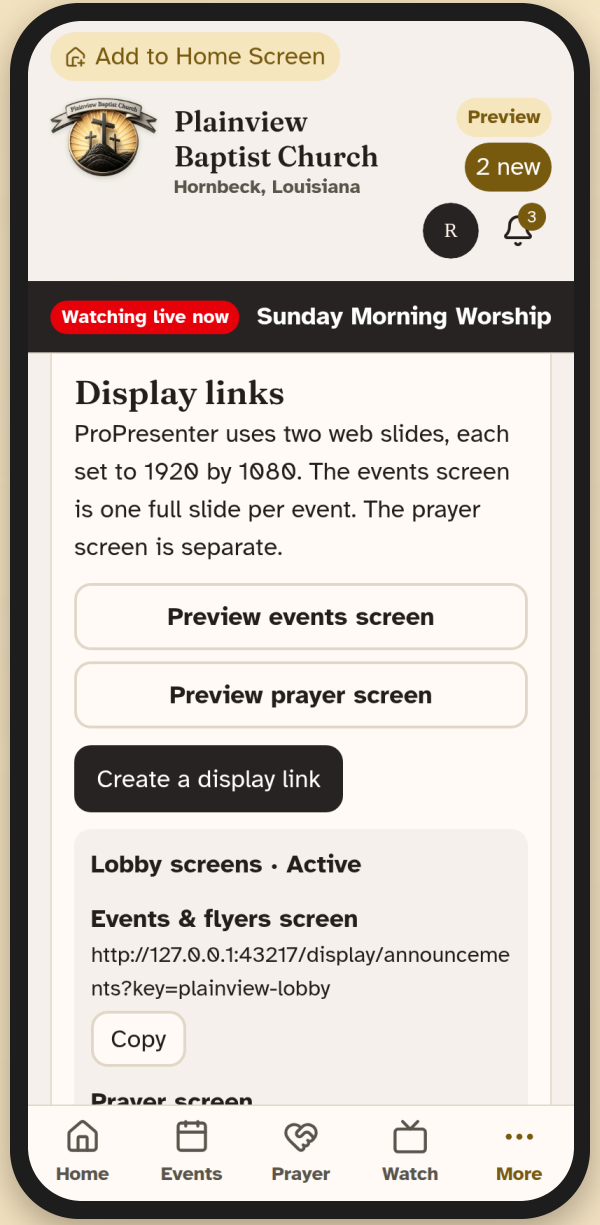

Owner tools: service times

- Owners edit the service times shown on Home and Contact.
- Each service has a time and an optional note. Tap **Add a service time** for another.

Owner tools: display links

- OWNERS **Display links** feed ProPresenter, which uses two web slides: the events screen (one full slide per event) and a separate prayer screen.
- Tap **Preview events screen** or **Preview prayer screen** to check them.
- **Create a display link**, then **Copy** the Lobby screens addresses.

LEADERS

Who Can Do What

Everything members can do, admins and owners can do too.

Admins approve new members, but they see only a name and photo, never private details, the members list, or families.

Owners (up to 2) can do everything.

Guests (not signed in, or still waiting for approval) see only Events, Watch, and Contact.

For the church to decide

1 Who should be the app owners?

OUR RECOMMENDATION

The app allows up to two owners. Two owners share full control (the members list and families, announcements, settings and admins), so the church is never locked out. Ronald Sellers is one owner, and the church chooses the second.

Owner 1 Ronald Sellers

Owner 2 _____

2 Who should serve as app admins?

OUR RECOMMENDATION

Four admins share the work of approving new members and events, setting up photo drops, and helping with prayer requests and app feedback.

Admin 1 _____

Admin 2 _____

Admin 3 _____

Admin 4 _____
